They say that life is a
highway and it's
milestones are years.
—Joyce Kilmer

1974 TROJAN

JOHNSON COUNTY HIGH SCHOOL

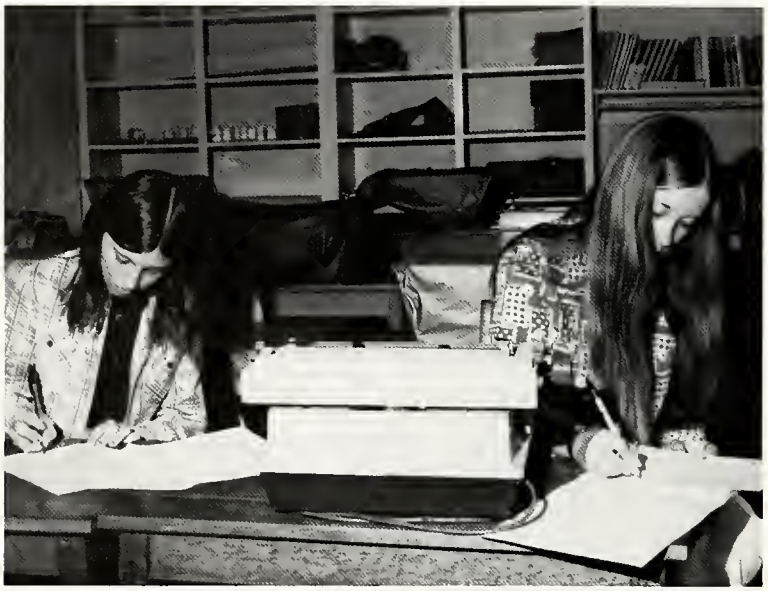
WRIGHTSVILLE, GEORGIA

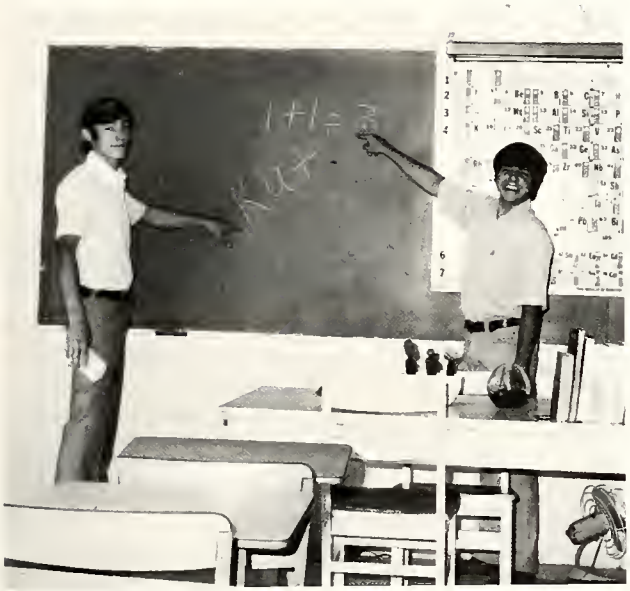
My road calls me, lures me
West, east, south, and north
Most roads lead men homewards,
My road leads me forth.
—John Masefield

JOHNSON COUNTY

For guidance . . .
For inspiration . . .
For his deep and genuine interest . . .
Above all, for knowing that he cares for each of us . . .
The 1974 Trojan Staff dedicates this book to our faithful and loyal Assistant Principal, George W. Cordy.

I sure hope the road
don't come to own me;
There's so many dreams
I've yet to find.
—Carole King





STOP

BECOMING

It's a rough road that leads to the heights of greatness.
—Pubilius Syrus

As life runs on
The road grows strange
With faces new.
—James Russell Lowell

Strange, is it not? that
of the myriads who
Before us pass'd the

Not one returns to tell

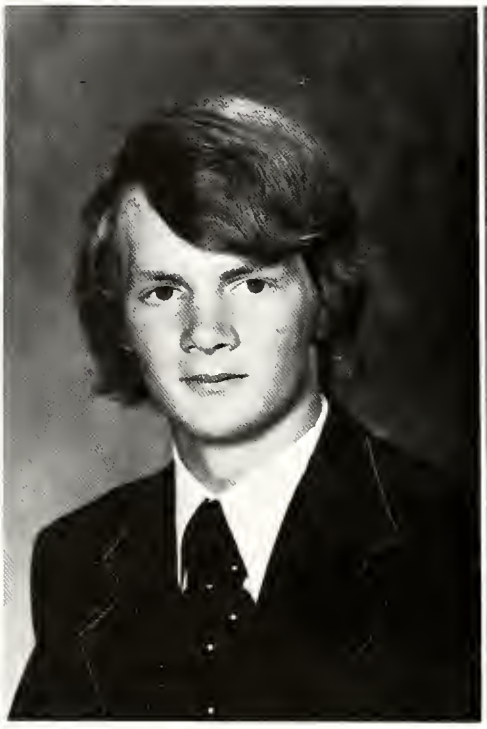
STAR

STUDENT-TEACHER ACHIEVEMENT RECOGNITION

SPONSORED BY THE GEORGIA CHAMBER OF COMMERCE



Ellis Jackson—Star Student

Mr. David Adams—Star Teacher

In 1955 the Georgia Chamber of Commerce made an observation concerning secondary education in the State. The observation was to the effect that, while winners of beauty contests and athletes had long been applauded and publicized, fine scholars and outstanding teachers were virtually ignored.

The Chamber took action. That same year it created program—"Teacher of the Year"—to honor and promote teaching. Three years later, in 1958, this activity was expanded to feature high school student scholarship through a program—"Student Teacher Achievement Recognition"—known by its initials, STAR.

Each year the top academic senior in each accredited Georgia high school is named the High School STAR Student. High School STAR Students compete for the School System STAR Awards; System STAR Students compete for the Congressional District STAR Awards; the District STAR Students compete for the State STAR Awards.

STAR Students select the STAR Teachers, who share the recognition accorded the STAR Students. The program culminates at the State STAR Banquet, held annually in the spring.

EXCHANGE STUDENT

We were honored this year by having an exchange student from Monterrey, Mexico. Mauricio Mateo Gonzalez Ferrara, seventeen years old, the son of Juan Manuel Gonzalez Avila and Maria Luisa Ferrara de Gonzalez is one of a family of six brothers and two sisters. Mauricio is a graduate of the University of Monterrey High School. He is interested in music, photography, and anything related to the world of art and nature.

He has contributed much to our school this year and it has been a pleasure having him.
